CONDITIONS OF HIRE

IMPORTANT: Please read these conditions thoroughly, as you will be signing that you understand and accept them.

1. The hirer is responsible for all breakages and damage caused to the building, fittings, fixtures, furniture and equipment and the Town Council will expect compensation from the hirer for any loss or expenditure incurred.
2. The Town Council reserve the right to refuse to hire the accommodation at any time for any reason.
3. No posters, decorations, etc. are to be fixed to the walls, ceilings or furniture without the prior approval of the Town Clerk.
4. The hirer must have the necessary Public Liability Insurance to cover their activities. A copy of the policy to be provided when booking. If no insurance is held this must be discussed with the Town Council before the event.
5. It is a Health & Safety requirement that you provide the Town Council with a risk assessment for any activity taking place during the hiring.
6. Any electrical equipment brought into the Town Hall must be in a safe condition and have a current PAT label attached.
7. The use of any portable heaters is not allowed under any circumstances.
8. Entry/exit of the building will be via the Civic Entrance (side door accessed via the walkway) only, unless alternatives are agreed at the time of booking.
9. The entry code will only be handed over after the booking form has been completed, signed and the conditions of booking accepted. If there are any problems with entering the building, or in an emergency, the Town Clerk may be contacted on her mobile 07817 097329. If the Town Clerk is unavailable please go to Pershore Library on Church Street where a spare key is located. If the spare key is used, please ensure it is returned to the library at the end of hire and ask the library/information staff to advise the Town Hall as soon as possible that it has been required.
10. During the evening access to the building will be by arrangement with the Town Clerk when a completed booking form is received. The building and walkway will be locked 15 minutes after the end of the booking as stated on the booking form by a security firm. It is therefore requested that the building is vacated by that time and that any vehicle is moved out of the walkway. If a hirer vacates the building before the security company arrives it is essential that the side door is secure to avoid third parties entering the building.
11. The hirer is responsible for opening and locking the building at the beginning and end of the hiring period, and switching off lights; and must ensure that no-one is remaining in the building. All toilets and unlocked areas to be checked before finally locking up, as in the event of damage being caused by an intruder, the Town Council insurance would become invalid.
12. The hirers must make themselves aware of the fire safety procedure. **Also it is the responsibility of the person signing the booking form to ensure that all those present at the meeting are aware of the Fire Safety procedure / locality of toilets (including universal access) at the start of the meeting.**
13. Smoking is not allowed in any part of the building.

The Council reserve the right to amend these conditions at any time irrespective of any booking already made.

Revised July 2018

14. Any door marked as a fire-door must not be wedged open at any time.
15. No advertising material/display boards are allowed to be put in place without the prior consent of the Council. Section 132 of the Highways act 1980 prohibits any signs or pictures to be placed on the highway, tree or structure. 18. In signing this form you are accepting responsibility for your use of the Town Hall during the period of occupation.
19. The Town Council reserves the right to request any organisation who has a block booking to relinquish that booking up to a maximum of 6 times in any calendar year, provided the council gives the organisation 3 months notice of its intention to exercise that right.
