✓ Significant health and safety benefits
✓ Revolutionary cleaning technology

call us TODAY on 0500 889923 for a FREE no-obligation quotation and be one of the first in this area to experience this unique, new cleaning process.
Welcome

Welcome to another edition of the Pershore Town Council newsletter.

A summary of the Town Council’s Annual Report and the Mayor’s review of the year is on the centre pages of this newsletter, with the full report and a detailed set of the Town Council’s accounts available on request at the Town Hall. If you have any questions, please call into the Town Hall or email us and we will do our best to answer them.

Also, you may be interested to learn that the Council has recently voted to change the way it conducts its meetings. Now, not only can members of the public attend and speak at the start of a meeting on any subject relating to the Council, but they can also be called upon to speak during the meeting by the Mayor if it is felt appropriate and useful.

This is your Council and town, you can attend any meeting of the Council—see our notice board and website for details.

Ann Dobbins
Town Clerk

From the Town Mayor and Mayoress

As I write these few words, the sun is streaming through my study window and once again the summer activities are underway in Pershore. We have all just enjoyed one of the best Carnivals for many years with people from the town and other areas of the country coming to enjoy our festivities.

My congratulations to all who made it possible. Our next event in the calendar will be the Pershore Festival of Flowers in Pershore Abbey from 24th—26th June where the Abbey will be full of floral displays depicting the many facets of our town. All the proceeds from this Festival will be donated to Macmillan Cancer Support and the RNLI.

Later in the year we will enjoy the revival of Midsummer Brass, the Jazz Festival and Plum Festival and the Art and Photography Show. I am sure you will agree we have a busy year ahead of us.

Work is now underway on the flood defences for Pershore; let's hope that the weather is kind to us and that these works can be completed on schedule by the end of August. This should provide a degree of comfort to those who suffered in flooding of previous years.

Our Youth Council has almost achieved the funding to provide a shelter/bandstand in Pershore and whilst this may not be erected in time for this summer, looking to the future, we can hope to see band concerts on Abbey Park during 2011.

I wish you all a very happy summer and hope to see you at some of our activities.

Chris Parsons

Alternatively if you wish to report a crime confidentially call Crimestoppers on 0800 555 111

Update from Pershore Local Policing Team

During the last PACT meeting one of the issues discussed was an increase in the number of shed burglaries that had been happening in Pershore Town. Your local policing team and other officers have been putting a great deal of effort into apprehending the persons responsible. I am pleased to report that two persons are currently in custody for these offences. Since their incarceration there has been a sharp fall in the number of such offences; so the hard work has paid off. I would also like to mention that this was directly as a result of information given to the local policing team by you, the public.

A person from Pershore is now in prison as a result of a drugs search warrant we carried out. This warrant resulted in drugs being found at the address and the person being returned to prison to finish his sentence. He also had a further period added to that sentence. So a big thank you to you for talking to your local policing team.
I look forward to more successes of this nature in the future with your help. May I also take this opportunity to remind you that all our contact details are within this newsletter and if you wish to report something anonymously, then call the Crimestoppers number. PC 3062 John Hunter

Since the last time I wrote, the youth council has been very busy. Those who attended, will recall how successful the switching on of the Christmas lights was. I think I can speak on behalf of the entire youth council when I say I really enjoyed the event. It was wonderful to see so many people willing to brave the not so good weather we had in order to make the event so well attended.

Since then, the youth council has organised the Pershore Music Festival, spearheaded by youth councillor Andrew Price. This was a big success, and proved to be very enjoyable for those taking part and setting up the event. A big thank you should also go to the parents and adults who helped in many ways including setting up and taking down the stage area.

Other points that have been raised by the Youth Council are issues such as the desire from local children to have a pedestrian crossing along Station road by the school. Discussions have taken place between the Youth Mayor Alec Smith, Deputy Youth Mayor Emma Hawtree, and members of the Town Council to decide where would be the most suitable place to put the crossing.

At our next meeting, the youth council hope to talk to the Police Community Support Officers and Beat Manager in Pershore, to discuss how the youth of Pershore think that they could be best used on patrol.

The youth council have also been looking at the possibility of having a ‘youth shelter’ in the grounds of Abbey Park. This will take the shape of a bandstand/shelter, and will be accessible for anyone to use to meet or shelter from the bad weather. Several methods of fundraising have been used, as well as grants given from other sources to help fund the project.

I mentioned fundraising. Some ways we have done this is to have non uniform days at school. A method of fundraising, which if all money is paid can raise up to £1200. This is a very easy way of raising money that requires little effort on our part. The youth council has also been allowed to pack bags at the Asda supermarket in Pershore and raised a further £250 towards the shelter. We are hoping to have a final push shortly so that the shelter can be installed by the end of the summer.

Youth Councillor Dan Hart
**Pershore’s Flood Defences—update**

The official “sod turning” event took place on Thursday 27th May when representatives of the Environment Agency, contractors, and local residents, watched the Mayor, Cllr Chris Parsons MBE dig the first sod of earth on the allotments site to start the ball rolling with building Pershore’s flood defences.

Weather permitting these should be completed by the end of August and hopefully provide some protection to residents from flooding from the River Avon.

---

**Twinning**

Fourteen people recently spent an enjoyable long weekend in Plouay, Pershore’s twin town in France. As well as being guided around the town and seeing areas of interest in the locality, the visitors attended a celebration to mark the end of the Second World War where flowers were laid in memory of the fallen. Pershore presented their twin town with a Pershore Plum tree and a slate clock made in the town depicting the Pershore Plum.

The next twinning visit will take place in August of this year when a large group will come to Pershore from Bad Neustadt for the Jazz Festival. The Dead Horse Big Band who were so popular last August during the Plum Fayre are playing at the Festival and a smaller group will be travelling separately from the Twinning group.

If anyone is able to host any of our guests in August please contact the Town Clerk on 01386 561561 or email townclerk@pershore-tc.gov.uk

---

**Pershore Carnival**

Thank you from the Carnival Committee for all the support that residents gave to the Carnival this year. The procession was excellent and it was good to see the motorised vehicles back—thank you to all those who gave up their bank holiday to drive a lorry (or a tractor!). Thank you too to the kind donor of an open top car for the Princess.

The day stayed dry and the procession raised over £1,000 for the two chosen charities, Worcester Breast Care Unit and CLIMB.

Cllr Chris Parsons MBE, President of the Carnival said “How pleasing it was to see so many people enjoying our 2010 Carnival. Local people and visitors from far and wide joined us to ensure the day was a resounding success. Looking at the High Street during the procession, it was wonderful to see the street lined with people once again”
Acorns Children’s Hospice shop in Pershore High Street are appealing for donations of good quality clothing, books, Bric a Brac, toys & games etc to sell in the store. Acorns supports more than 500 life limited children and their families in the West Midlands and Gloucestershire. Most of the funding comes from public donations.

**It costs on average £450 a day to keep a bed open.**

**BUT**, you may not realise that Acorns shops can also raise money from recycling clothing and textile items (RAG). Anything that is old or worn, bobbed or full of holes can still raise money for the Hospices. Just put it in a bag and mark it RAG.

**So, if you are having a clear out – think of Acorns!**

The shop is open Mon-Sat between 9.00am and 5.00pm.

Extract from the
Town Mayor’s report

It hardly seems a year since the last Annual Meeting but although the time seems to have passed quickly it is surprising how the Council has moved forward. Now is the time to remind ourselves of what has been achieved.

Following the discovery of our town clock hanging precariously by a thread a new clock was installed on the Town Hall and the Royal British Legion’s Three Counties rally in June provided us with the ideal opportunity to re-dedicate the clock to those who lost their lives in the war and in memory of Queen Elizabeth’s silver jubilee.

Another asset opened in Pershore in 2009, the Avon Meadows Wetlands. This has proved to be popular with both young and old.

It is now almost three years since the devastating floods of 2007 and only in the last couple of weeks has work actually started on the flood defences. One delay seemed to follow another and as we know the current scheme is far less than that originally planned. It would be easy to apportion blame for these delays and the shortcomings of the scheme but I feel it is time to move on in the hope that the scheme proves to be of benefit should Pershore suffer from similar flooding in the future.

Our twinning with Bad Neustadt celebrated its thirtieth anniversary and very successful visits were made by both towns. Our German friends joined us for last years Plum Festival which added an extra facet to this very successful event. The bond between the two towns seems to be as strong as it was thirty years ago when it all started.

As usual the town looked stunning throughout the summer months with floral displays lining the streets, flower beds ablaze with colour and individuals making sure that front gardens and allotments were in pristine condition. All this resulted in Pershore winning a gold award in the Heart of England in Bloom awards. Congratulations to all who made this possible.

2009 saw Pershore’s first Youth Council being formed. Following a very exciting and well supported election at Pershore High School, 12 eager youngsters set about doing what they thought was best for Pershore. We were treated to the best ever ceremony of the turning on of our Christmas lights and plans are afoot to match that success this year. On May 3rd a Music Festival took place which was similarly successful. Considering the community in general the Youth Council continue to campaign for a pedestrian crossing in Station Road and a weight limit on traffic in the High Street.

The Council agreed to adopt the Power of Well Being, releasing it from any restrictions on expenditure providing that such expenditure was for the well being
of the town. At the time of writing, this Town Council is the only Town Council in the county to have this privilege.

The Council has also signed up to the 10/10 campaign agreeing to aim for a reduction in its carbon footprint by 10% over the next ten years. Throughout the year Pershore Town Council has continued to lead the way in this County and I am sure that, with the continued hard work and dedication of its staff and members, will continue to do so in the future.

Number 8 Goes Digital & 3D!

Number 8 Community Arts Centre in Pershore have announced plans to install the very latest in high definition digital projection equipment together with XpanD 3D. The installation this Summer will give a further boost to the screening experience at Number 8 (already improved earlier this year with an upgrade to the cinema sound) with an enhanced picture and crystal clear sound quality. As availability of 35mm film prints is limited the introduction of digital projection also means that Number 8 will be able to book a wider range of films, book films closer to their release dates and screen alternative content - shows as diverse as opera, music concerts and sporting events beamed in live by satellite from anywhere in the world.

Number 8 will be one of the few independent cinemas in the UK to offer audiences the opportunity to enjoy the exciting experience offered by 3D films. This summer alone you will have the opportunity to see 3D screenings of *Up*, *How to Train Your Dragon*, *Shrek Forever After*, *Avatar* and *Toy Story 3* right here in Pershore.

So, there are exciting times ahead! For further details see www.number8.org, call Box Office on 01386 555488 or pop into Number 8, High Street, Pershore.

Pershore Riverside Youth Centre

Summer Programme
A great Summer Programme has been devised again this year to run during the summer holidays for both 9 to 13 year olds and the 13+ group. This includes art, music, archery, canoeing, bellboating and multisport sessions. For the 9 to 13 year group a trip to Alton Towers is planned for the 27th August and the 13+ group will visit activity centres every Friday and have away trips to activity centres. Full details are available on the website.

Time4u
Sessions are to begin shortly on a Tuesday at the Centre. A key element of these will be confidential advice and support from youth workers, including sexual health advice. Further information should be available soon.

New facilities
The new music room is up and running with even more state of the art recording equipment along with electronic drums and guitars. The main hall is in the process of being re-decorated and soundproofing added, and the Internet Café enlarged. Also 3 large picnic tables with chairs together with goal posts have been acquired and placed in the field behind the Centre.

Youth Council Music Festival
The Centre was pleased to provide the venue for the Festival. Congratulations to the Youth Council for organising this event with 6 bands and about 150 people attending.

Normal Club Meetings
These will continue as usual until the start of the Summer Programme. The 9 to 13 year old club, run by volunteers, meet alternate Mondays from 6.30 to 8.00pm and the 13+ club, run by Worcester County Council Youth Team, on Tuesdays 6.00 to 8.30 pm, Wednesdays 6.30 to 9.00pm and Thursdays 3.30 to 6.00pm. New members are always welcome.

Further information Please contact Alex Mellor, PRYC, King George’s Way, Pershore. WR10 1QU Tel:-01386 554713. Email alex.mellor@pershoreyouth.org OR visit our website:- www.pershoreyouth.org.uk
ELECTION FEVER

The recent General Election was mirrored at Pershore High School, with five candidates, hustings and debates. The school election also took place on Thursday 6th May and resulted in the very close contest outlined below:

<table>
<thead>
<tr>
<th>Name</th>
<th>Party</th>
<th>% share of votes</th>
</tr>
</thead>
<tbody>
<tr>
<td>James Manning</td>
<td>Liberal Democrat</td>
<td>37.1%</td>
</tr>
<tr>
<td>Gareth Roberts</td>
<td>Monster Raving Loony</td>
<td>36.1%</td>
</tr>
<tr>
<td>Andrew Hemming</td>
<td>Conservative</td>
<td>10.5%</td>
</tr>
<tr>
<td>Sam Verralls</td>
<td>Green</td>
<td>8.8%</td>
</tr>
<tr>
<td>Ed Surman</td>
<td>Labour</td>
<td>7.5%</td>
</tr>
</tbody>
</table>

The victor, 13 year old James Manning, will represent student views on meetings of the Governing Body, and the Pershore Youth Council will decide at a future meeting whether he will be given a place on the council.

BUILDING WORK

Work continues apace on the redevelopment of the school’s main block. When completed this September, it will provide new office accommodation, 7 mathematics classrooms and 2 business studies rooms. As a result, the English department will be suited in refurbished classrooms around the quadrangle.

PRESENTATION EVENING 2010

The most prestigious event of the school calendar will take place at 7.00 pm on Thursday 24th June. It will give me great pleasure to report on this in the next newsletter. In the meantime, may I offer my best wishes to all students in Years 11, 12 and 13 who will very soon be involved in GCSE and ‘A’ level examinations.

If you would like further information on the above or any other issues, please visit www.pershore.worcs.sch.uk and look out for copies of newsletters.

Pershore Art & Photography Show

This is now an established annual event attracting many artists and photographers to enter the wide range of classes. For the first time, winning entries will be exhibited in Pershore Library for the rest of the month to amaze everyone with the wealth of talent that abounds in the area and to encourage anyone with an interest to do something about it!

A schedule listing the classes is available from Coach House Books, Blue and the Town Hall Visitor Information Centre, so don't delay get out your brushes, pencils or cameras and get cracking. You've got until 4th August to produce something interesting for the show which is on Saturday 7th August in the Town Hall and St. Andrews and where this year, there will also be an exhibition of work by Pershore Patchers and Quilters.

The Show will be opened at 12noon by the Plum Princess and art entries will be judged by last year's winner thus leaving the field wide open! Go on have a go.
