

## Pershore High Street – Lockdown 2

Please see below a list of updated essential retailers, and information on other retailers in Pershore. The below list is changeable and not exhaustive. If anyone would like to feature their new business hours, please do let us know.

It is assumed that all 'non-essential' retail, and pubs, restaurants and cafes are closed to the public. However, some retailers may be offering a click and collect service.

Please see all individual social media pages and websites for further information.

CAR PARKS – All Wychavon car parks are now free of charge until January 3<sup>rd</sup>, 2021.

Please note, all areas with time constraints, parking bays and double yellow lines still pose restrictions – don't get caught out!

### Groceries
