643. Christmas Light switch on

Members discussed the switch on event the previous Saturday and felt that one of the problems had been the lack of stalls, particularly as some of those who had said they were coming did not actually turn up on the day. The Youth Council stall, whilst raising some funds for the zip wire, needed a bit more and it was agreed the roulette game be considered again for 2020.

They felt more stalls were needed and wondered whether the event might be able to be moved back to Broad Street where it was more central and visible and more could be provided. It was agreed the Clerk investigate this possibility and also it was noted that if this was possible a lot more help would be needed on the day.

644. Public Transport in the area

There was nothing to report

645. Policing in Pershore

Members raised again the issue of drug use outside the rear of the Leisure Centre with the smell coming through the doors through the air vents. The Clerk confirmed that she had advised the police but would do so again.

646. Youth Council Projects

Youth Cllr Gill advised that the cake stall had not taken place and the refreshments for parents evening had already been agreed with the 6th form.

The coffee morning for 25th January was booked and the Clerk would get permission letters sent out as soon as possible to ensure there were sufficient helpers on the day.

Youth Cllr Meadows agreed to speak to food technology staff at the school to see whether a “cake bake off” could be organised to raise funds.

Youth Cllrs Gill agreed to speak to Mr Hanson to see whether a coffee morning in school was possible and report to the January meeting.

647. Environment issues

There was nothing to report.

648. Riverside Youth Centre

It was noted that the Youth Club seemed to be working reasonably well at present and it had been good to see them have a stall at the Christmas Light switch on.

649. Items for a future agenda

Possible bag packing in the Co – op
